Dear Parent(s) and Guardian(s),

Please join with us in celebrating Catholic Schools Week. Catholic Education is a “**Better Way**”. This year’s theme is “Catholic Schools; Faith Academics, Service. Again this year we will be recognizing parents of our students who also attended our wonderful school as well as our numerous volunteers. Again and again we prove that the education our students receive here prepares them well for the future. Our young people continue to serve God, as altar servers, choir members, youth mentors, lectors, ushers and cantors. These students go on to lead and serve society-demonstrating values learned in Catholic Schools.

Visit our classrooms during Catholic Schools Week; sit in your child’s classroom and quietly observe teaching; congratulate your children on their accomplishments and encourage friends who may be considering Catholic Education for their children to visit our school.

It has been my pleasure to be part of the Our Lady of Lourdes Community. The dedication and commitment of our teachers and staff make our school excellent and a treasure for our students. We know that we at Our Lady of Lourdes School do make a difference in the lives of our students.

We thank you for your faith and confidence and the support you give to our school. Our parents help us make a difference. **WE ARE A “BETTER WAY”**

Sincerely in Christ,

Lincoln A. DeMoura, Ed.D.
