The Parents' Guild is pleased to announce we are now offering Scholastic Book Clubs to our families through on-line ordering! Scholastic Book Club's prices are very reasonable, many books are \$3 or less. Shipping is free and unlike the Book Fairs, there is no sales tax on Book Club purchases. Also, for every order placed on-line our School receives 1 free book for the School Library!

Placing your on-line credit card order is easy, safe & secure. Please visit Scholastic's website: [www.scholastic.com/bookclubs](http://www.scholastic.com/bookclubs) and select a user name and password on the Parent Page. When prompted, enter our Class Activation Code: HKYJT. Select your books and place your order by the due date. Tuesday, November 23<sup>rd</sup>, is the due date for our first order. Your credit card information and payment go directly to Scholastic's secure server. Your books should arrive at School within 7-10 business days and will be sent home with your child.

At this time, we are offering on-line ordering only. You must place your order online at Scholastic's website. Please do not send your book order into school.

If you have any questions please contact the Parents' Guild at [ololparentsguild@hotmail.com](mailto:ololparentsguild@hotmail.com). Please do not contact your child's teacher.

Thank you.
